

Meadow Glen Elementary

After-School Program

The Quest Zone

The Quest Zone is a comprehensive after-school program offered at public & private locations which compliments the school environment. The program is designed to meet the needs of the individual child in a safe, non-threatening, and non-competitive environment. The Quest Zone offers positive reinforcement, guidance, values and character education. Central to The Quest Zone's philosophy are "zones" where children can learn and explore each day. These zones are designed with the needs of elementary children in mind and are carefully supervised by trained staff members.

**The Quest Zone begins on
the 1st day of school!**

How will inappropriate behavior be managed?

The Quest Zone staff will use positive redirection and reinforcement to assist in managing inappropriate behavior. Additionally, staff members are trained in conflict resolution skills and will encourage the child to solve problems in a peaceful, honest way. We also encourage “Parents as Partners” when managing inappropriate behavior.

What is The Sunshine House?

The Sunshine House was founded in 1975 in Greenwood, SC. Its programs provide loving early education in over 150 locations, successfully meeting the needs of over 15,000 families. Innovative programs combined with a talented, professional, and highly trained staff make The Sunshine House unique. The company is currently the 6th largest private child care provider in the United States and the 12th largest U.S. provider of Employer-Based care. Additionally, The Sunshine House currently operates over 165 School Age Programs in 10 states.

Tell me about staffing.

The Quest Zone is staffed by a Site Director, teachers and tutors. These individuals are supported by a Regional Director, a comprehensive Management Support Team and a community of other School Age Programs.
